NIMT Consultant Portal — User Guide

Your complete handbook to using the consultant portal at <https://uni.nimt.ac.in>.

1. Logging In

Go to <https://uni.nimt.ac.in>. On the sign-in screen, click **Sign in with username and password** and enter your registered consultant email and password.

- You can also sign in with **WhatsApp OTP** — click **Continue with WhatsApp**.
- Forgot your password? Click **Forgot Password** on the login screen.
- Account issues → email admissions@nimt.ac.in or your assigned NIMT representative.

Once you sign in, you land directly on your **Consultant Dashboard**. In the sidebar you have two items under **Admissions: Courses & Fees** and **My Leads** (your dashboard).

If you see *"No consultant profile linked to your account,"* your login isn't yet attached to a consultant record — contact the admission team.

2. Your Consultant Dashboard

The top shows **Consultant Dashboard** with **Welcome, {your name}** and two buttons on the right: **View Guide** and **Add Lead**.

Six stat cards summarise your performance:

Card	Meaning
Total Leads	Students you've added
Pipeline	Leads currently in progress (not yet admitted/rejected)
Conversions	Leads who have been admitted
Fee Collected	Total fees paid by your admitted students
Commission Earned	Your total earnings from successful conversions
Pending Payout	Commission still to be paid out to you

Below the stats are the **Send Voice Message** widget and five tabs: **Leads** · **Payments** · **Fees** · **Commissions** · **Requests**.

Leads Payments Fees Commissions Requests

Lead Pipeline 27 leads in funnel - click a stage to filter 1 hot

0	1	0	1	7
----------	----------	----------	----------	----------

FIRST-TIME ONBOARDING

On first use, an onboarding card walks you through four steps — **Company** → **Tax** → **Signatory** → **Documents** — where you upload your Consultant Agreement (required) and other documents (PAN, GST, TAN, bank details, etc.). Use **Save Draft** to pause, **Save & Continue** to advance, and **Complete Onboarding** to finish. You can **Skip for now** and later click **Resume Onboarding**.

3. Adding a New Lead

Click **Add Lead** (top right). The **Add New Lead** dialog opens:

- **Name *** — student's full name
- **Phone *** — 10-digit number (country code defaults to +91)
- **Email** — optional but recommended
- **Course** — pick from the dropdown (grouped by department)
- **Campus** — auto-filtered based on the course you choose (*"Select course first"*)
- **Notes** — anything the admission team should know

Click **Add Lead** to submit (the button stays disabled until name and phone are filled).

- If the phone number is **new**, you'll see **"Lead added"** and it appears in your pipeline immediately.
- If the phone number **already exists** in the CRM, you'll see **"Duplicate sent for approval"** — the lead becomes yours only after a super admin approves it. Track it in the **Requests** tab.

4. The Leads Tab — Your Pipeline

The **Leads** tab shows a **Lead Pipeline** funnel and a table of your leads. Click any stage in the funnel to filter the table to that stage. The info (i) icon opens a **How the pipeline works** popover.

Each lead row has three actions:

- **Info** (eye icon) — opens the Course Information for that lead.
- **Payment Link** (link icon) — create and send a payment link (see §5).
- **View as Applicant** — open the application form as that student (see §6).

The screenshot shows the NIMT Consultant Portal interface. On the left is a sidebar with the NIMT logo and 'NIMT UniOs', a dropdown for 'All Campuses', and a 'MAIN MENU' with 'Admissions' selected. The top header displays the user's name 'Vijay, the finish line is in sight', a search bar, and a 'Start Recording' button. The main content area is titled 'Leads' and features a 'Lead Pipeline' visualization with 27 leads in the funnel. The pipeline consists of six stages: Unassigned untouched (0), Assigned untouched (1), Contacted (0), Hot (1), and Applied (7). Each stage shows a progress bar and the number of leads reached. Below the pipeline is a table of leads with columns for LEAD, COURSE, STAGE, DATE, and ACTIONS.

LEAD	COURSE	STAGE	DATE	ACTIONS
Pawan Singh +916396801549	Bachelor of Education (B.Ed) Greater Noida Campus	Offer Sent	25/7/2026	Info, Payment Link, View as Applicant
Priti Kumari +918538948311	Bachelor of Education (B.Ed) Greater Noida Campus	Token Paid	25/7/2026	Info, Payment Link, View as Applicant
M.d Naushad Alam +919818463285	Bachelor of Education (B.Ed) Greater Noida Campus	priority_interested	25/7/2026	Info, Payment Link, View as Applicant
Hari Nath Jha +918595516198	Bachelor of Education (B.Ed) Greater Noida Campus	Offer Sent	24/7/2026	Info, Payment Link, View as Applicant
Jyoti Kumari Jha +919365699092	Bachelor of Education (B.Ed) Greater Noida Campus	Offer Sent	24/7/2026	Info, Payment Link, View as Applicant
Meenakshi bhardwaj +918700012978	Bachelor of Education (B.Ed) Greater Noida Campus	Offer Sent	23/7/2026	Info, Payment Link, View as Applicant

LEAD STAGES

New Lead → App In Progress → Fee Paid → Submitted → AI Called → In Follow Up → Visit Scheduled → Interview → Offer Sent → Token Paid → Pre-Admitted → **Admitted** (commission becomes payable). Other stages: Waitlisted, Rejected, Ineligible, Do Not Contact, Deferred (Next Session).

5. Sending a Payment Link

From the **Leads** tab, click the **Payment Link** button on a lead's row. The **Send Payment Link** dialog opens with a "How to use" summary at the top.

Fill in:

- **Purpose** — choose one:
 - *Token fee (prior to admission)* — the default for a lead
 - *Fee due*
 - *Custom amount*
- **Amount (₹)** — the amount to collect (must be greater than 0).
- **Link valid for (days)** — defaults to 7.

- **Send via** — how the student receives it:
 - *Don't send — just create the link* (you copy and share it yourself)
 - *WhatsApp* (default)
 - *Email*
 - *WhatsApp + Email*
- **Note (optional)** — a short message shown to the student on the payment page.

Click **Create Link**. On success you'll see **"Payment link created"** and the link appears with a **copy** button; click **Done** to close. When the payment gateway is configured, the student pays on a secure hosted page, and the lead's stage and fees update automatically once paid.

The screenshot shows a modal window titled "Send Payment Link" with a close button (X) in the top right corner. Inside the modal, there is a "How to use" section with four numbered steps: 1. Select a purpose — token fee, fee due, or custom amount; 2. Enter the amount and set link expiry (default 7 days); 3. Choose to send via WhatsApp, Email, or just copy the link; 4. Click "Create Link" — the candidate receives a payment page. Below this, there are input fields for "Purpose" (set to "Token fee (prior to admission)"), "Amount (₹)" (set to "0"), and "Link valid for (days)" (set to "7"). There is a "Send via" dropdown menu set to "WhatsApp". Below that is a "Note (optional)" text area with the placeholder text "Shown to the candidate on the payment page". At the bottom of the modal are two buttons: "Cancel" and "Create Link".

6. Getting the Application Filled (“View as Applicant”)

To help a student complete their application, click **View as Applicant** on the lead's row in the **Leads** tab. This opens the **apply portal in a new tab as that student**, using a secure link valid for 24 hours.

From the apply portal you can fill in / continue the student's application, view the submitted application (**View Application**), download the **PDF, Receipt, or Offer Letter**, and — once an offer is issued — use **Pay token fee to secure your seat**. Progress reflects back on the lead's stage (e.g. *App In Progress* → *Submitted* → *Offer Sent*).

The screenshot displays the NIMT Educational Institutions Consultant Portal interface. At the top, the NIMT logo is on the left, and a 'Sign out' link is on the right. The main content area is divided into several sections:

- WELCOME BACK Pawan Singh:** A blue header bar with a graduation cap icon. Below it, a message states 'Offer approved for Bachelor of Education (B.Ed)' and a button 'Pay token fee to secure your seat →'.
- Offer Issued for APP-26-15QO · Action Required:** A blue bar with a document icon and a status 'APP-26-15QO'.
- APP-26-15QO Offer linked:** A section for 'Bachelor of Education (B.Ed)' with buttons for 'View Application', 'PDF', 'Receipt', 'Offer Letter', and 'Hide Details'.
- OFFER ISSUED Congratulations!** A blue box with a star icon. It says 'Your seat is reserved. Complete the steps below to secure your admission.' and includes a button 'Offer Letter'.
- Token fee due by 25 July 2026:** A purple box with a clock icon. It states 'Deadline passed — contact admissions immediately'.
- Education Loan Letter:** A light blue box with a document icon. It says 'You have paid at least ₹5,000 token fee. Download the loan support letter for bank processing.' and includes a 'Generate' button.
- YOUR ADMISSION JOURNEY:** A section showing a progress bar with a step '1 Pay Token Fee' and a status 'Action Required'.

7. Payments, Fees & Commissions

Payments tab — every payment made by your students: **Student, Type, Amount, Mode, Date**, with a **download** icon per row to grab the receipt PDF.

The screenshot displays the NIMT Consultant Portal interface. On the left is a sidebar with the NIMT UniOs logo and a main menu containing 'Admissions'. The top navigation bar includes a breadcrumb 'Vijay, the finish line is in sight > NIMT UniOs', a search bar, and user profile information for 'Vijay Kumar Consultant'. Below the navigation bar are six summary cards: 'Total Leads', 'Pipeline', 'Conversions', 'Fee Collected', 'Commission Earned', and 'Pending Payout'. The main content area features a 'Send Voice Message' section with a microphone icon and a 'Start Recording' button. Below this is a tabbed interface with 'Leads', 'Payments' (selected), 'Fees', 'Commissions', and 'Requests'. The 'Payments' tab displays a table of student payments.

STUDENT	TYPE	AMOUNT	MODE	DATE	RECEIPT
Pawan Singh	Token Fee	₹5,000	Gateway	25/7/2026	
Pawan Singh	Token Fee	₹5,000	Gateway	25/7/2026	
Priti Kumari	Token Fee	₹5,000	Gateway	25/7/2026	
Nidhi Kumari	pre_admission_token	₹6,000	Cash	23/7/2026	
Nidhi Sharma	pre_admission_token	₹6,000	Cash	23/7/2026	
Pooja Pandey	Token Fee	₹5,000	Gateway	23/7/2026	
Pooja Pandey	Token Fee	₹5,000	Gateway	23/7/2026	

Fees tab — the detailed fee panel for your students.

Commissions tab — three cards (*Total Earned*, *Paid Out*, *Pending*) plus a payout table:

Student, Course, Fee Paid, Fee %, Payout, Status. Statuses move **Pending** → **Approved** → **Paid** (or *Cancelled*).

Payout rule: commission payouts are released proportionally to student fee payments. A student must have paid at least **25% of their annual fee** before your commission on them is eligible for payout.

Rajni pathak	Bachelor of Education (B.Ed)	₹10,850	19.38%	₹1,937.5	Pending

8. Requests Tab

When you add a lead whose phone number already exists in the CRM, it becomes a **Lead Association Request** shown here (filters: **Pending / Approved / Rejected / All**). A super admin reviews and approves it before the lead counts as yours.

The screenshot displays the NIMT Consultant Portal dashboard for a user named Vijay Kumar. The dashboard includes a sidebar with navigation options like 'All Campuses' and 'Admissions'. The main content area features a top navigation bar with a search bar and user profile. Below this, a notification states 'Consultant onboarding was skipped'. A row of six cards shows key metrics: 27 Total Leads, 26 Pipeline, 1 Conversions, ₹1,45,800 Fee Collected, ₹0 Commission Earned, and ₹12,214.29 Pending Payout. A 'Send Voice Message' widget is prominently displayed, allowing users to record a quick voice note to the NIMT admission team. Below the widget, tabs for Leads, Payments, Fees, Commissions, and Requests are visible. The 'Requests' tab is active, showing 'Lead Association Requests' with a status filter (Pending, Approved, Rejected, All) and a message indicating 'No pending association requests'.

9. Sending a Voice Message to the Admission Team

Need a quick answer? Use the **Send Voice Message** widget on your dashboard:

1. Click **Start Recording**.
2. Allow microphone access when your browser prompts.
3. Speak clearly, then **Stop** — play it back to check it.
4. Add an optional subject line and send it to the admission team.

The NIMT super admin and principal get an instant notification and respond as soon as possible.

10. Need Help?

- **Email:** `admissions@nimt.ac.in`
- **Phone:** your assigned NIMT representative
- **Fastest response:** the in-app voice message feature

Thank you for being part of the NIMT Educational Institutions family.
